

ACE WNO Campus Conversations Award

Rev. 7/2022

Each year ACE WNO allocates funding to support women's leadership development activities on Ohio campuses that foster continued conversation and collaboration in line with the ACE WNO mission and objectives.

Applicants can request up to \$500 each, with a total of \$1500 in funding available annually across all award recipients. Applicants may submit additional applications for consideration. Preference is given to IR or IR-partnered applicants.

Campus Conversations Award applications are accepted from 6/30 to 9/30 annually. Applicants will be notified of the status of their application in October, with announcement and funding awarded at the annual ACE WNO conference.

To apply, please complete an [ACE WNO Awards application](#).

Should an award be granted, please note:

- *Recipients will need to submit a summary report to the ACE-WNO detailing how the funds were spent within 30 days of the event.*
- *Any printed or public material must include language promoting that support/funding was provided through ACE WNO.*
- *ACE WNO reserves the right to publish/advertise sponsored conversation award project information, including award winner, university, and project information, aggregate data, and results.*
- *Awardees will be expected to present their Campus Conversation Award Projects at the Annual Conference.*
